

Article No.	TN5S
TPR material	Improved PVC
TPR design	On the back and fingers
Coating Material	Nitrile
Coating Color	Black
Finishing	Sandy
Liner	UHMWPE
Liner Color	Hi-vis yellow
Gauge	15
Cuff Style	Velcro
Size	7,8,9,10,11,12

PERFORMANCE

- Super environment friendly TPR pads provides extra softness and excellent flexibility
- Much thicker TPR pads and special TPR design for greater impact protection than leading competitors
- 15 gauge knitted shell technology contributing it a softer & more comfortable cut 5 glove than others in the market
- New reinforcement technology in the crotch offering better fit and comfort than others with cloth fabric
- Extra sponge pad inside the liner offering good vibration resistance
- Waterproof, great resistance to oils, chemicals and acids (coating area)
- Sandy surface offers excellent grip, particularly to slippery object handling

APPLICATION

- Mining industry
- Oil & Gas industry
- Construction
- Rescue
