PERFORMANCE

- Reinforcement (between thumb and index fingers) greatly extends glove life to save your cost and provides extra protection in the most weak area
- 10-finger touchscreen functionality enables you to use all touch screen devices on the job
- 18 gauge exclusive lining technology contributing it as a thinnest & finest cut D glove in the market
- Over 33% lighter than a standard cut D nitrile glove
- Perfect dexterity, flexibility & fitting
- 360° breathability to keep your hands cool at work
- Sanitized® hygiene function offers increased freshness, comfort and protection

APPLICATION

- Automotive industry
- Glass industry
- Paper industry
- Blades manufacturing
- Machinery and equipment maintenance
